Ultra Long Life NIXIE Indicator tubes are warranted to be free from defects caused by materials, workmanship, and construction for a period of one year from the date of shipment. All other readouts are warranted to be free from defects caused by materials, workmanship, and construction for a period of ninety days from the date of shipment. Burroughs Corporation's Liability under this warranty is limited to replacing or repairing any tube returned by the buyer during such period, provided:

1. Buyer promptly notifies Burroughs Corp., Electronic Components Division, Plainfield, New Jersey in writing requesting authorization to return the tube as per our warranty policy. Letters should itemize complaints.

2. The defective unit is returned to address in (1), transportation charges prepaid.

3. Manufacturer's examination shall disclose to its satisfaction that defects have not been caused by misuse, neglect, accident or improper installation.

Under no conditions shall Burroughs Corp. be liable for collateral or consequential damages. This warranty is in lieu of all other warranties expressed or implied.
